PROJECT BACKGROUND

Ivory Park was established by the then Transvaal Provincial Administration (TPA) as an informal settlement in July 1990 on approximately 700 Ha of the farm Kaalfontein. The intent was to accommodate urban dwellers from, inter alia, Tembisa and Alexandra Township. Ivory Park was laid out with the provision of a whole range of community facilities, such as schools, clinics as well as business sites.
The majority of land uses in Ivory Park is currently residential with informal businesses operating from residential erven. The majority on non-residential erven have been invaded. However, a large portion of erven 4921 is currently utilised by Ivory Park community as an Industrial Park known as Bambanani Industrial Park. Part of the property is developed into Industrial, brick laying, Hardware, Motor Mechanics, Panel Beating and other business related services.

On 25 August 1998 Council Committee (item C12), the then Midrand Metropolitan Local Council inter alia resolved that the proposed Industrial Layout Plan of Erven 4921 and 5323 Ivory Park Ext 7 be approved as a formal Industrial Layout Plan. The said Industrial layout Plan proposed among others that Erf 4921 be subdivided into small manageable light industrial sites; refer to Council Resolution attached Annexure “B”.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a _pe se_ prohibition meaning that it cannot be justified under any grounds.

3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

   a. take all reasonable steps to prevent such abuse;

   b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and

   c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
