<td>Request for appointment of Electrical Engineer for replacing of electrical cable at the office of City Department (Tourism Department) stationed at WSSD.</td>

<tr>
<td>PROJECT BACKGROUND</td>
<td>Theft of copper cables lying underground and linking the Tourism Centre (TC) at Walter Sisulu Square of Dedication to the main electrical turbine has left the TC in the dark for some time. The major reason for theft is the demand for copper cables by the scrap metal dealers. This is seen as a way of making money by the local who are unemployed and into drugs. Eskom and subsequently City Power have been financially hard hit by cables theft. In their attempt to curb this ordeal, they have put in place a mitigating strategy that of replacing copper conductor with aluminum conductor. This strategy is said to have paid off over the past few years.</td>

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1 This Municipal Bidding Document (MBD) must form part of all bids¹ invited.

2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a pe se prohibition meaning that it cannot be justified under any grounds.

3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:

   a. take all reasonable steps to prevent such abuse;
   
   b. reject the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
   
   c. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.

4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.

5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
